When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your checking account or to process the payment as a check transaction. When we use info from your check to make an electronic fund transfer, funds may be withdrawn from your account the same day we receive your payment, and you will not receive your check back from your financial institution. A service fee may be charged on returned checks.

Add 8 Individual Wallets to any of these five packages for only \$6.00!
